Dear Tomasz,

Below you will find our references. Once again, thank you for the project and cooperation.

BNP Paribas has been cooperating from March to September 2014 with ProCognita on transforming of software delivery model.

Objective of project was accelerating delivery timeline with improving product quality. Goal has been achieved bringing measurable value to company by changing work prioritization model and modifying communication process with business to better understanding of customer needs.

During project Mr. Tomasz de Jastrzębiec Wykowski has been working with members across organization providing assessment of current development process as well as creating proposal and implementation plan of transformation to Agile methodology, delivering training and coaching teams in day to day work. Courses material was provided in easy to adapt way. During coaching he worked closely with teams and management, analyzing their needs and helping them in effective implementation of selected solutions.

Tomasz de Jastrzebiec Wykowski shown deep understanding of Lean and Agile processes. We highly recommend him and ProCognita company as valuable partners and are looking forward for future cooperation.

Kind regards,

Andrzej Grochowalski
